

## Trusted Surface Solutions

Depend on Osborn for all of your polishing needs

# UNIQUE + REPUTABLE CAPABILITIES

## Honest experts providing trusted solutions.

Since 1887, we have grown to become the world's largest surface treatment and finishing provider. We're dedicated to offering the very best—a standard to which we hold ourselves and the aspiration we reserve for our diverse customer base. Osborn helps you **Finish. First.**

## Products for every application.

Osborn has the broadest selection of buffs, compounds and chemicals in the industry. Osborn will develop custom solutions for particular applications when standard products cannot meet the demands

## Continued innovation.

Product development focused upon customer applications. This applies to new products, continuous improvement, and process control.

## Leading combination.

The combination of long lasting Osborn buffs and economical compounds provide excellent results and fewer rejects. Our liquid compounds are the most stable in the business due to unique methods of manufacturing. Our compounds are made using the highest quality minerals, sized within a very limited range, to ensure no unexpected lines or scratches on a given surface. They adhere perfectly to Osborn buffs for a clean and economical process. Let our experts show you how to achieve the lowest cost per part!

**Osborn polishing solutions** are perfect for any application. From aluminum to stainless steel. From titanium to polymers. Compound and buffs are paired to provide a perfect combination.
